

Overview of the Jammer portal alongwith changes (as highlighted)

- **The portal should be bilingual (Hindi and English)**
- Page 4: Tentative Home Page and Dashboard
- Page 5: Shows the details to be filled for Registration. It, further, shows the interface of Signup Page.
 - ❖ **A dialogue box indicating that the link has been sent to email to upload Competent authority signed letter for verification.**
 - ❖ **When letter is uploaded, dialogue box indicating that the registration sent to Under Secretary (Security) for approval and that the registration will be approved in 05 working days.**
 - ❖ **Account activation will be sent to registered email ID.**
- Page 6: It shows the Dashboard for approving officers and the steps for signup and account creation.
- After activation of Account User name and Password will be shared via mail to User after which he/she has to mandatorily change the password after first logging using those credentials to fill any requests.
- **Page 7: Instead of letter number a unique Reference No. may be generated by the system. The reference number may be auto-filled in the approval letter.**
 - ❖ **The interface should be display "Welcome to JAMS" on top of the page**
 - ❖ **The following tabs should be inserted on the page:**
 - (i) **Submit request**
 - (ii) **Track request**
 - (iii) **Past approvals**
 - (iv) **Jammer guidelines**
 - (v) **Upload centre lists**
- **In Examination details, when the applicant chooses Yes Option (i.e. for single examination), the following may be incorporated in the portal:**
 - ❖ **First option should be yes or no whether the single examination is for single date → if option selected is yes → a tab indicating the date of exam should open → Once the date of exam is filled in the tab, next tab should Manually enter the centre list.**
 - ❖ **If option selected in no → a tab indicating the dates of exam should open → Once the dates of exam is filled, next tab should indicate Manually enter the centre list.**
 - ❖ **A format of Manual entry of Centre list is as below:**

Sl.No.	State/UT	District	Centre Name	Centre address*	Centre Coordinator Details (Name and Phone No.)

*For phase-II of the Jammer portal, an option to add GPS location in the format of manual entry of centre list may also be added.

- In Examination details, when the applicant chooses No Option (i.e. for multiple examination), the following may be incorporated in the portal:

- ❖ First option should be a tab indicating date of exams to be filled should open → If the centre list of these exams is ready, yes or no option should open → If selected yes → Option to Manually enter the centre list should open.

- ❖ If selected no → An undertaking wherein the following text should be displayed which has to be mandatorily checked by the applicant to further proceed

"The approval by Cabinet Secretariat will be subject to the condition that list of examination centres alongwith their full address and number of jammers to be deployed in each centre will be provided to this office by examination conducting body 7 days before actual date of examination/deployment of jammers."

- ❖ The above undertaking checkbox should only be ticked by Aadhar authentication and the same undertaking should be reflected in the approval letter of this office once the request is approved.

- ❖ An option should also be given so that applicant types the Unique reference number and once the search button is clicked, the application for approval of list of examinations should open and the applicant may upload date-wise centre list or manually enter the centre list for the examination 7 days before deployment of jammers.

- If the applicant chooses Yes (Under Whether request for deployment of jammers is for a single examination) **then instead of Address of Examination there should be Center Details and Upload the list of Centers.**

- If No (Under Whether request for deployment of jammers is for a single examination) then a different dialogue box should open in which there should be option to Select STATE → District → List of Centers → Upload the list of Centers.

- The Declarations should be in Detail i.e.

- ❖ Adequate arrangements should be made for safe custody of the jammers during its deployment in examination centers.

- ❖ Each jammer deployed at the examination centers, as indicated in Annexures of the letter under reference, will be accounted for and any discrepancy in this regard will be reported

immediately to the appropriate law enforcement agency and to the Office of Secretary (Security).

- ❖ While deploying the jammers it will be ensured by [Name of examination conducting body] that the jammers do not interfere with existing mobile communication network outside examination center
- Page 8: After the successful completion of application from the applicant organization the application at first should be received to the US and then US will down mark to dealing hand.
- Page 9: Instead of Separate Return and add remarks options there should be one option which contains Return and Remark as one. Further the Approve and forward option should also contain the dialogue box for any comments.
- Page 11: The timeline should only indicate approved only with Secretary.
- After approval of Secretary (Security) the file should be returned directly to US after approval, the Under Secretary will now download the letter and will sign the permission letter and then upload it on the portal.
- Page 10: Timeline regarding the application is currently with whom should only be visible to Cab Sec Only.
- Page 12: It shows the process flow for the jammer portal.
- Further after uploading the permission letter there must be the option for sending a copy of the permission letter to the selected vendor by the examination conducting body i.e. BEL or ECIL or both, so that the approval may be conveyed to the agencies which provides the Jammer.
